Sydney

The Ultrathermics regulator is specially cleaned for oxygen service ensuring safety and peace of mind. The smooth and easily adjustable pressure control T-bar gives accurate and fine control of the supply pressure enabling faster and cleaner cutting of the work piece by the diver.

Comes with oxygen bullnose inlet fitting as standard. A replacement DIN 6 connection can be supplied separately.

### Ultrathermics Oxygen Regulator

Order Code UL144

### Inlet Pressure Gauge 0-6000 psi

Order Code UL1441

### Outlet Pressure Gauge 0-1000 psi

Order Code UL1442

### DIN 6 Inlet Connection

Order Code UL1443

### Ultrathermics Oxygen Regulator Service kit

Order Code UL1445
