

ADVISORY NOTICE

Background

Client requests for longer gauge and rotowink hoses have led to part number changes for these items.

There are no known quality issues with part numbers DB5002195, DB5002487, DB5002313 or DB5002013 and existing spares may continue to be used.

The COBRA manuals will be updated in due course.

CONTENTS GAUGE HOSES

These items fit the COBRA set with no modifications.

Part number: DB5002195	Part number: DB5002488	Part number: DB5002487
Continues to apply for the longer gauge and hose assembly	Applies to the longer hose and restraining wire assembly	No longer available

ROTOWINK HOSES

The first time either of these rotowink components are fitted to a COBRA set, it is necessary to fit new adapters to the COBRA head and the Rotowink. These items and associated o-rings are contained in kit part number DB5002955.

Part number: DB5002494	Part number: DB5002492	Part number: DB5002313
New order code for the Rotowink and hose assembly	For the replacement hose assembly only	No longer available
