

Certificate of Approval

This is to certify that the Management System of:

JFD LIMITED

JFD, Westhill Industrial Estate, Enterprise Drive, Westhill, Aberdeen, AB32 6TQ, United Kingdom

has been approved by LRQA to the following standards:

ISO 9001:2015

Approval number(s): ISO 9001 – 00005939

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

ISO 9001:2015

The design, manufacture, testing, mobilisation, operation, training & consultancy, service and maintenance of marine, subsea and diving equipment to commercial and defence markets namely, Pressure Vessels for Human Occupancy; Medical & Rescue Hyperbaric Chambers; Submarine Rescue Systems; Submarine Escape Systems; and ancillary equipment.

Marta Escudero

Regional Director, United Kingdom and Americas (UKAM)

Issued by: LRQA Limited

Certificate Schedule

Location	Activities
JFD, Westhill Industrial Estate, Enterprise Drive, Westhill, Aberdeen, AB32 6TQ, United Kingdom	ISO 9001:2015 The design, manufacture, testing, mobilisation, operation, training & consultancy, service and maintenance of marine, subsea and diving equipment to commercial and defence markets namely, Pressure Vessels for Human Occupancy; Medical & Rescue Hyperbaric Chambers; Submarine Rescue Systems; Submarine Escape Systems; and ancillary equipment.
Enterprise House, Westhill Ind Estate, Aberdeen, AB32 6TQ, United Kingdom	ISO 9001:2015 Design and manufacture of: Diving systems, Diving equipment, Pressure gauges - Hy Fex Hyperbaric Fire Extinguishers, Design of pressure vessels for human occupancy (PVHO). Magnetic range testing. Manufacture of soft goods such as dive suits, diver associated soft material for habitats.
NHC (National Hyperbaric Centre), 123 Ashgrove Road West, Aberdeen, AB16 5FA, United Kingdom	ISO 9001:2015 Consultancy and project management for the sub-sea, hyperbaric and diving industry. Provision of evaluation, verification and inspection services (including the provision and evaluation of procedures) for both manned and unmanned sub-sea interventions. Operation and maintenance of hyperbaric facilities for medical treatment. Provision of training services for sub-sea, hyperbaric and diving industry. Design and assembly of sub-sea products and life support equipment. Provision of services for hyperbaric testing of equipment and medical treatment and training for the subsea industry. Design and procurement of parts for diving equipment. Manufacture of rescue harnesses.
NSRS (Nato Submarine Rescue Service), HMNB Faslane, Faslane, G84 8HL, United Kingdom	ISO 9001:2015 Servicing, maintenance, operation & test of decompression chambers, submersible vehicles and submarine rescue systems. The mobilisation of all support equipment. The provision of hyperbaric training.

Certificate Schedule

Location	Activities
Unit 50, Stirling Enterprise Park, Springkerse Road, Stirling, FK7 7RP, United Kingdom	ISO 9001:2015 Manufacture of soft goods, typically divers survival; suits, hot water suits, rescue harnesses, thermal undergarments, fire retardant low static bedding and clothing required by divers for offshore, industrial, medical, military and leisure/sports diving markets.
JFD Australia Pty Ltd SETF/PSET, JFD/ CO HMAS Stirling, Garden Island, WA 6168, Australia	ISO 9001:2015 Service, maintenance, operation, test and training of Submarine escape, rescue and abandonment systems.
JFD Australia Pty Ltd Bibra Lake JFD, 54 Bushland Ridge, Bibra Lake, Perth, WA 6168, Australia	ISO 9001:2015 Design, manufacture, service, maintenance, mobilisation operation, test and training of: Diving systems, Diving equipment, Pressure gauges, Submarine escape, rescue and abandonment systems.
JFD Australia Pty Ltd Unit 12, 21-25 Monro Avenue, Kirrawee, Sydney, NSW 2232, Australia	ISO 9001:2015 Design, manufacture, service, maintenance, mobilisation operation, test and training of: Diving systems, Diving equipment, Pressure gauges.
Cowan Manufacturing Pty Ltd 9A Walker Street, Warners Bay, NSW 2282, Australia	ISO 9001:2015 Design, manufacture and testing of pressure vessels including recompression chambers and support systems for the diving industry, gas carts for the aviation industry, cleaning of pipework systems for breathing gas. General sheetmetal and fabrication work. In-house and on-site servicing of pressure vessels and recompression chambers and associated systems. Oxygen systems cleaning.
JFD Portsmouth Trafalgar House, 223 Southampton Road, Portsmouth, PO6 4PY, United Kingdom	ISO 9001:2015 Consultancy and project management, training, provision of test, mobilisation, service, maintenance of diving equipment and diving systems.

Certificate Schedule

Location	Activities
12 Cartside Avenue, Inchinnan Business Park, Inchinnan, PA4 9RW, United Kingdom	ISO 9001:2015 The design, manufacture, servicing, maintenance, operation and test of compression chambers, submersible vehicles and submarine rescue systems. The mobilisation of all support equipment. The provision of hyberbaric training.
